Audition Chorus Stream 2019

The Audition Process Explained

This year's Audition Chorus Stream is once again being led by Tony Chapman, with Sally McLean coaching and conducting the chorus at the event. The songs this year are 'The Street Where You Live' and 'Hit Me With a Hot Note'.

NEW THIS YEAR: This year, the Audition Chorus Stream will only be available to subs-paying BABS members. Anyone who isn't a subs-paying BABS member will have to become one (see https://www.singbarbershop.com/how_to_join.htm), or consider other streams at the event. Those wishing to join the Audition Chorus Stream this year must ensure they have successfully auditioned before they register and pay for the event, as they won't be able to otherwise.

Step-by-step guide:

1. Email Tony Chapman on auditionchorus@singbarbershop.com, stating your name, preferred voice part, BABS membership number and e-mail address.
2. Tony will reply with a link to the learning tracks and sheet music for the audition piece, and hold you a place in the chorus for fourteen days.
3. Within fourteen days, learn and practise the piece, and record yourself singing solo and send this back to Tony. If this takes longer than fourteen days, Tony, will no longer hold your place in the chorus.
4. Tony will listen to your recording and give you some brief feedback. If you are successful, you will receive a password and link to a password-protected version of the Harmony College booking website.
5. Click on the link and use your password to register and pay for the Audition Chorus stream.

Upon registering for Harmony College, you will be able to access the sheet music and learning tracks for this year's Audition Chorus songs. Please ensure you have fully learnt these when you arrive at the event.
